

MANAGEMENT

Doing business in the 21st century with its focus on a global economy has become more complex. You need to be multi-skilled, innovative, able to solve problems and also have excellent communication and organizational skills.

Our programme is comprehensive and practical, giving you the opportunity to gain the skills, knowledge and qualification you require to secure your position in the business area of your choice.

UNIVERSITY CREDIT EXEMPTIONS

The Academies Australasia Group of colleges includes colleges that are registered training organizations in Australia. The courses offered by Academies Australasia College meet the high standards and strict requirements of the Committee for Private Education in Singapore. In addition, they comply with the standards and requirements that apply to the courses that are conducted by Academies Australasia Group of colleges in Australia. Students who successfully complete any of the modules listed in the course described in this brochure will qualify for 'recognition of prior learning' (ie. credits) should they wish to continue their course at any other Colleges within Academies Australasia Group. In the same way, they may be considered, on a case-by-case basis, for credits should they wish to enrol in any university with which Academies Australasia college has credit transfer arrangements at the relevant time.
